Education

- 2010.09–2016.06 ◇ **Chengnan No. 3 Primary School.** Elementary School.
- 2016.09–2019.06 ◇ **Wenling Experimental School.** Middle School.
- 2019.09–2022.06 ◇ **Wenling Xinhe High School.** High School.
- 2022.09–2026.06 ◇ **China Jiliang University.** B.S. in Mathematics and Applied Mathematics.
- 2026.10– ◇ **University of Regensburg.** M.Sc. in Mathematics.

Academic Interests

Algebraic Number Theory, Algebraic Geometry, Arithmetic Geometry.

Bachelor's Thesis

- B.S. Thesis ◇ **Research on Galois Theory in Algebra.** A study of the fundamental theorem of Galois theory and its applications to the solvability of polynomial equations.
Supervisor: Kunbo Wang.

Additional Coursework

- 2026.03–2026.06 ◇ **Algebraic Number Theory**, Zhejiang University. Audited lectures by Prof. Dongwen Liu.
- ◇ **Lie Algebra**, Zhejiang University. Audited lectures by Prof. Fangyang Tian.

Projects

- 2026.08–Present ◇ **Founder and Maintainer, Math Translations** (mathtranslations.org). Founded and maintain a non-commercial platform for mathematical translations, lecture notes, source texts, and terminology standardization. Launched on 15 Aug. 2026; 715 registered users as of 29 Aug. 2026.

Mathematical Communication

- Content Creator ◇ **Zhihu & WeChat Official Account.** Wrote expository articles on pure mathematics; 1,133 followers on WeChat Official Account and 909 on Zhihu.

Awards and Honors

- Provincial Third Prize ◇ Yangtze River Delta Mathematical Modeling Contest.
- Provincial Second Prize ◇ Chinese Mathematics Competitions.

Skills

- Technical** ◇ $\text{\LaTeX}$, Python, Git/GitHub.
- Languages** ◇ Chinese (Mandarin, native); English (IELTS 6.0 / CEFR B2); German (beginner).
